

Duty Managers Program

Building line management skills and knowledge

This builds on the Supervisor Bootcamp program for those potential and existing line managers who want to further deepen their skills and knowledge of club management principles.

It has two parts; the first is delivered face to face by the CMAA and covers:

Navigating the Award & Rostering Staff (D1) & Cost Control & Understanding Profit & Loss (D2)

The second part is optional for those who select to build on the face to face component by enrolling into the **ONLINE CMAA Leadership & Management Program** to undertake a number of recommended units listed below.

Enrol into the face to face component with the CMAA and learn how to:

- Use cost control principles to understand & determine gross profit, COGS, & labour costs %
- Explain the significance of an increase/decrease in the gross profit, COGS labour cost figures
- Identify factors affecting profit by department
- Perform basic exercises from different operational areas
- Understand best practice purchasing
- Navigate and understand the Registered & Licensed Clubs Award 2020
- Define modern awards and enterprise agreements
- Understand today's Industrial Relations landscape
- Apply Award Conditions to effectively roster staff with the Award
- Implement and maintain staff rosters
- Identify & deal with the impact of flexible rostering on Payroll
- Analyse, interpret and rectify staff rosters

As an option to build on the face to face component of the program, the CMAA recommends participants can also enrol in the **ONLINE CMAA Leadership & Management Program** and undertake any of the following units:

- **Budgeting & Financial Plans or Continuous Improvement or Communication Influence**
