# Budgets and Financial Plans

Online course that can be taken on its own or as part of 12 courses that make up the **CMAA Leadership & Management Program** via the CMAA's online partner **elevateB**.

## Course Outline

Finances impact virtually everything a club does, and as such, it's probably the most important thing you, as a club manager, must address.

This course will take you through the processes involved in undertaking financial management within a club. It includes planning, implementing approaches, supporting team members, monitoring and controlling finances and reviewing and evaluating the effectiveness of financial management processes.

A key component of the course is ensuring that financial resources are used effectively and managed in line with the financial objectives of the club.

## Course Delivery

This comprehensive course is delivered via an interactive, online platform providing the flexibility to study and learn at times that suits participants commitments and at a pace that suits their lifestyle.

Course material is comprised of readings, links, videos, activities and assessments (optional) in a comprehensive learning experience.
