Operational Plans

Online course that can be taken on its own or as part of 12 courses that make up the **CMAA Leadership & Management Program** via the CMAA's online partner elevateB.

Course Outline

Operational Plans are where the 'rubber hits the road', where the ideas and concepts that establish the desired outcomes for your club are broken down into actionable items.

The course recognises that Operational Plans feed off the Strategic Plan of a club and your ability to develop, implement and monitor systems and processes that facilitate operational success will be fundamental to long-term business growth.

You will embrace the concepts of working with others in the provision of efficient and effective workplace practices.

Course Delivery

This comprehensive course is delivered via an interactive, online platform providing the flexibility to study and learn at times that suits participants commitments and at a pace that suits their lifestyle.

Course material is comprised of readings, links, videos, activities and assessments (optional) in a comprehensive learning experience.
