Workplace Relationships

Online course that can be taken on its own or as part of 12 courses that make up the **CMAA Leadership & Management Program** via the CMAA's online partner elevateB.

Course Outline

How effectively you build and maintain relationships largely determines the success you will experience in your personal and professional life.

Interpersonal relationships and how you manage them will assist you in growing and developing as an individual. It also has a direct influence on Club operations, where the integration of teams and groups is essential.

The course will help you develop processes and procedures to support workplace relationships and build professional networks while taking into account a Club's values, goals and diversity.

Course Delivery

This comprehensive course is delivered via an interactive, online platform providing the flexibility to study and learn at times that suits participants commitments and at a pace that suits their lifestyle.

Course material is comprised of readings, links, videos, activities and assessments (optional) in a comprehensive learning experience.
