

# CMAA National Managers Conference

## **Member Service Excellence**

# Introduction

- Club Managers Leadership and Management Program
- Approach
- What we will cover
  - Club Culture
  - Service Delivery
  - Core Service Features

# Club Culture

# Club Culture

## *FiSH! Philosophy*

1. Be There
2. Play
3. Make Their Day
4. Choose Your Attitude

# Club Culture

## *Lifetime Customer Value (LCV)*

**LCV – The value of a member across  
all the times they visit your club**

# Club Culture

## *Increasing LCV*

1. Extend the range of goods and services they buy from you
2. Retain their business longer
3. Sell them more expensive items than they are currently buying
4. Sell them more of what they're already buying from you

# Service Delivery

***"Do what you do so well that they will want to see it again and bring their friends"***

**Walt Disney**

# Service Delivery

## *The Five Critical Areas*

1. Quality
2. Cost
3. Time
4. First Impressions
5. Consistency

# Service Delivery

## *Quality*

- How the product or service will be used?
- What does it need to accomplish?
- When does it need to be available?
- How long it needs to last?
- Will it be used with other products?

# Service Delivery

## Cost

- Directly related to quality
- Higher Quality = Higher Price
- Assign a price a member is willing to pay for quality
- Perception

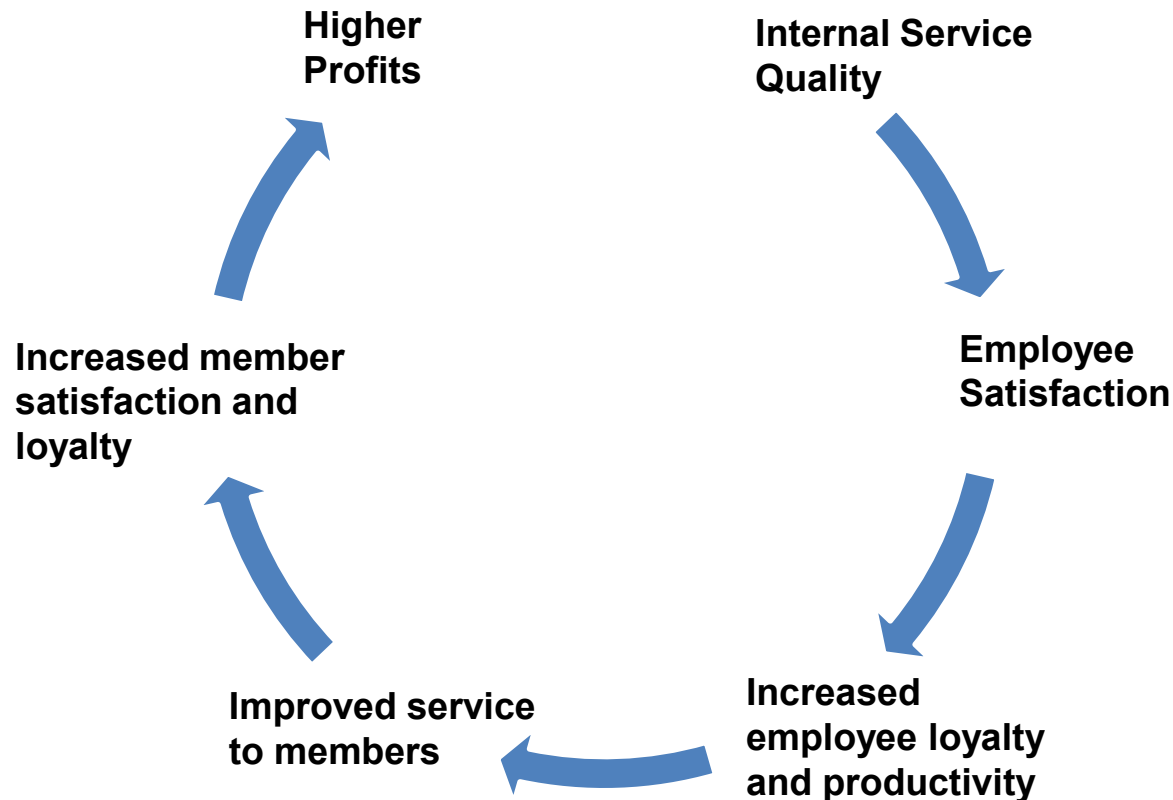

# Service Delivery

## *Time*

- General Rule/Aim – Shortest Possible
- Busy Periods
- Even if highest quality and low cost –  
Relationship breaker

# Service Delivery

## *The Service Profit Chain*

# Service Delivery

## *Internal Quality Service*

- Job Clarity
- Operational Systems and Processes
- Professional Development Training
- Leadership and Culture

# Core Service Features

# Core Service Features

## *Kano Model*

### Three Tenets

1. Value attracts members
2. Quality keeps members and builds loyalty
3. Innovation is necessary to differentiate and compete in the market

# Core Service Features
