

Dear CMAA Members, Trade Partners and Associated guests.

We are pleased to announce **The Inaugural Sydney Metropolitan CMAA Zone Meeting** on **Tuesday 20 September at Canterbury League Club.**

This new structure amalgamates five Sydney zones into one mega zone. We have listened to our members and understand times have changed. We understand you are time poor and if you are to be away from your venues it needs to be for a good reason. We hope you agree the below format has been designed with the newly formed Zone Committee and CMAA head office to address all needs. Industrial updates, educational and development and a chance to network with peers and still finish in time for you to be back at your desk if need be.

There will be four robust events per year and the final one for 2022 will be held on **6 December**. More details to come. **Save that date**!. We will also be able to inform you of 2023 dates shortly.

Details and ticketing link below. We all are looking forward to seeing you soon.

All zones are welcome to attend and as per members feedback this email has gone to all CMAA members from all zones.
