KEYNOTE SPEAKERS

Lucy Allon

With over 20 years' front-of-house and project management experience in the hospitality and food industry, Lucy brings a wealth of knowledge to her role as a partner in Straight To The Source.

Career highlights include owning and managing 3 award-winning restaurants in Sydney, Australia; being invited to present a dinner at the prestigious James Beard Foundation in New York; and, co-founding Appetite for Excellence in 2005, a highly regarded national restaurant industry awards program for outstanding young Australian chefs, waiters and restaurateurs.

Grace Brennan

Grace Brennan is a storyteller, speaker, and advocate for community-driven change. From Sydney to the western plains of NSW, she shares the beauty of the bush and the power of positive storytelling, inspiring city and country audiences alike to connect, create impact, and celebrate life beyond the city lights.

Bill Calabria

"If the definition of a Regional Hero is someone who has almost single-handedly put a region on the quality wine map against all the odds and did whatever it took to follow his dream - even if it meant resorting to washing bottles to make it happen - and be a model citizen along the way, then Bill Calabria is a true Regional Hero." Wine Business Magazine.
